

Exclusive Products

Help friends and loved ones achieve a better quality of life in the three areas of greatest consumer concern: their health, weight and fitness and skin.

Mannatech's overall category of health products was strategically developed to help nourish, balance, protect and support the body's cells with concentrated, standardized and stabilized sources of nutrients.*

Mannatech's Weight and Fitness products are designed to help you achieve the healthy body you want. Our newest product, OsoLean™ powder, along with a proper diet and exercise routine, helps you lose fat, not muscle, while managing your weight.*

The Mannatech Optimal Skin Care System™ products are a proprietary, water-based** system, designed to nourish, hydrate and promote more youthful, radiant-looking skin.

Enriching Quality of Life™

4 Steps

to Change Your Financial Future

Current Reality

- Everyone is affected during challenging economic times
- Global economies are struggling
- Corporate layoffs are at all-time highs
- Household incomes are declining
- Personal debt is out of control
- Financial futures look dim

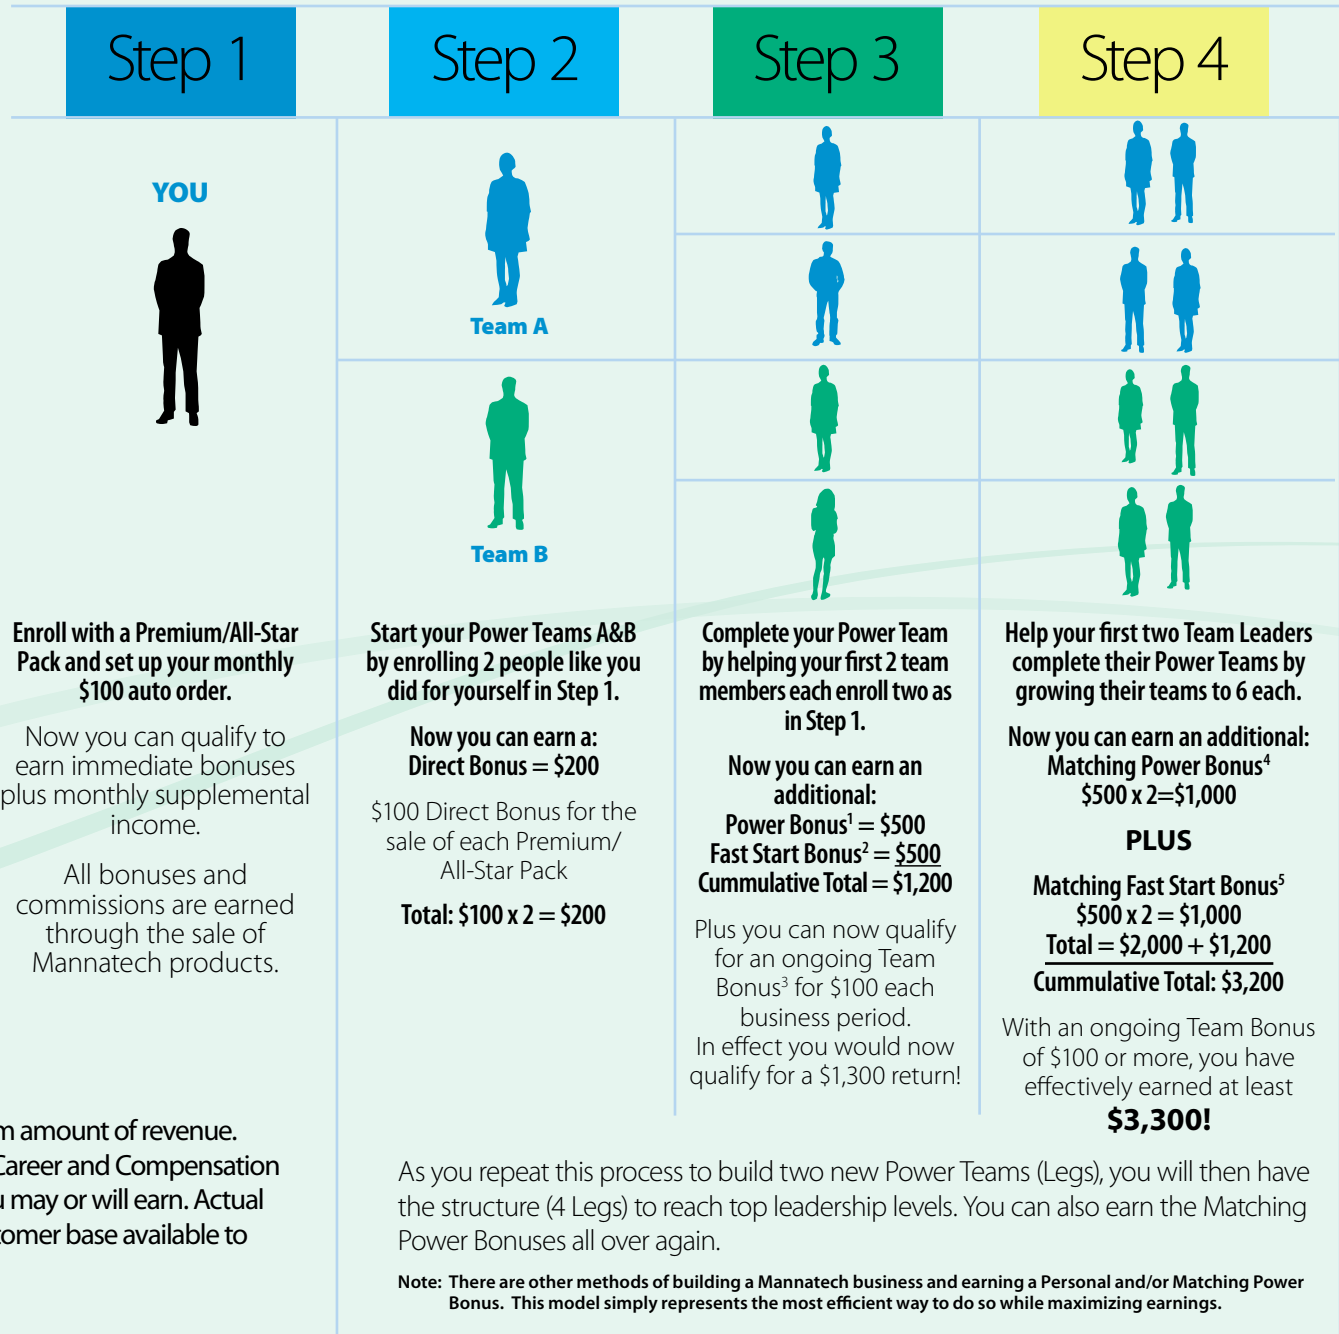

Do you have a turnaround plan?

What if you could...

- Follow a step-by-step plan to immediately impact your financial condition within the next two to five years?
- Take advantage of the growing wellness revolution—the next trillion-dollar industry?
- Be highly compensated for helping others to improve their physical and financial wellness?

Would this be attractive to you?

This model represents a plan that will generate the maximum amount of revenue. There are other ways to reach milestones. See Mannatech's Career and Compensation Plan for more details. This is not a representation of what you may or will earn. Actual earnings depend on your individual efforts and skill, the customer base available to you and the time devoted to your business.

Leadership Annual Income Averages[†]

- Non-Directors \$74–\$9,077**
- Regional Directors \$927–\$7,722**
- National Directors \$4,141–\$19,940**
- Executive Directors \$17,094–\$57,970**
- Presidential Directors \$40,040–\$1,609,288**

The statistics above are for the United States Associates only and represent those individuals with 100 PPV each Business Period making them eligible to earn downline commissions through 2008. Annualized income is derived by taking the average income earned from the top 20% and lowest 20% from January 1, 2008 through December 31, 2008. Associate earnings are not necessarily representative of the income, if any, that an individual can or will earn through his/her participation in the Mannatech Career and Compensation Plan. These figures should not be regarded as a guarantee or projection of your actual earnings. Actual earnings depend on your individual efforts and skill, the customer base available to you and the time devoted to your business. These factors differ from Associate to Associate. We will make substantiation of the data used in preparing this analysis available upon your reasonable request. This 2008 Income Averages disclosure and brochure are not for use in Georgia, Louisiana, Maryland, Massachusetts or Wyoming. [†]Regional Directors make up 5.0%, National Directors 1.5%, Executive Directors 0.43% and Presidential Directors 0.23% of Active Associates. **Based on 2008 income averages.**

All figures shown in USD. **All earnings are based on the sale of product.**
